

Virginia Williamson Elementary School
Parent Engagement Policy
2023-2024

Virginia Williamson Elementary School supports the role of parents in the education of their children. The staff will endeavor to include our parents in our total school planning process.

The school will provide the following:

- Resources needed to assist parents with parenting skills and knowledge concerning the development of the whole child
- A Parent Center consisting of resources for families are available
- Opportunity for regular meetings:
 - Open House
 - PTA Meetings
 - Parent Teacher Conferences
 - Kindergarten Round-up
 - Transition Meetings
 - Curriculum Night
 - Award Ceremonies
 - Title One Night

Parents will be encouraged to become involved in the education of their children through classroom/school programs and activities. Some examples are:

Orientation	School Improvement Team
Awards Programs	Parent Advisory Council
Field Day	Volunteer Program
Grandparent's Day	Open House
After School Running Programs	Field Trips
PTA Activities	

At Virginia Williamson Elementary School, we see the parent as a child's first teacher.

We believe that parent participation has a positive effect on student achievement. We also believe that it requires a team consisting of the family, school, and community working together to ensure and secure the success of our students.
